

Savannah River Remediation, LLC Internship Requirements

The Savannah River Remediation (SRR) Internship Program will open for submission of applications October 1, 2011 – January 31, 2012. As a part of the SRR 2012 Internship Selection Process, all interested applicants must submit the following documentation to Nola Grant, Internship Coordinator by January 31, 2012:

- Interest Letter
- Resume
- Official Transcript
- SRR Employment Application
- SRR Suitability Application
- SRR Self Identification Form

All required SRR forms can be accessed through the following SRR website:

- Go to <http://www.srremediation.com/internship.html>
- Select SRR Forms
- Select SRR Employment Application Link
- Select SRR Suitability Application Link
- Select SRR Self Identification Link

A complete packet must be submitted via e-mail only to Nola Grant, Internship Coordinator by January 31, 2011.

To qualify for an internship with Savannah River Remediation, LLC, (SRR) you must be a U.S. citizen, be enrolled as a full-time student in an accredited four year college or university, and currently have a GPA of 2.5 or above.

The deadline for applying for an internship is January 31st, so we urge you to get your resume to us as early as possible. Applicant resumes will be reviewed by the selection review panel in February for consideration. All selected applicants will be contacted by March 31st.

Information is posted on the intranet and internet websites. Applicants may also contact the Internship Coordinator for additional information about the SRR Internship program.

Thanks and we wish you all the best in your educational pursuits.
